

## Ms. Bell & Ms. Chu's Summer Resources (12:1)

While there are no mandated summer assignments, students are encouraged to exercise their minds this summer! Here are some suggested tasks:

<b>Subject</b>	<b>Suggested Task</b>	<b>How to Access</b>
<b>ELA</b>	<p>Check out the NYC DOE Summer reading list and select 3 books to read for fun! Choose books that interest you and that you can read independently.</p> <p>You are also encouraged to keep a daily journal.</p>	<p><a href="https://www.schools.nyc.gov/learning/subjects/nyc-reads-365/grades-6-8">https://www.schools.nyc.gov/learning/subjects/nyc-reads-365/grades-6-8</a></p> <p><a href="https://openlibrary.org/">https://openlibrary.org/</a></p>
<b>Math</b>	Packet of problems (on paper)	Ms. Chu's BELL Academy Page
<b>Social Studies</b>	Stay informed about current events by logging into Newsela using your Gmail account and reading an article daily. Challenge yourself by taking the accompanying quiz to check your comprehension. Don't forget you can adjust the Lexile level of each article as needed.	<a href="#">Newsela</a>
<b>Science</b>	<p>This website has a multitude of science experiments and demonstrations that you can try at home using everyday materials. These would be perfect for rainy day fun, and younger siblings would also enjoy helping out.</p> <p><i>*Please remember adult supervision is ALWAYS required for hands on science.</i></p>	<p><a href="https://sciencebob.com/category/experiments/">https://sciencebob.com/category/experiments/</a></p>
