

DADS TAKE YOUR CHILD TO SCHOOL DAY!

Dear Dad/Guardian,

In recognition of the outstanding role you play in your child's life, BELL Academy would like to honor these special male role models with a special morning planned just for you!

Chancellor Carmen Farina is a major supporter of "Dads Take Your Child to School" which celebrates the special relationship that fathers/guardians have with their child. This event started in 2006 with just one school and has spread throughout New York State.

BELL Academy would like to cordially invite you and your child to breakfast on Friday November 14, 2014 in our cafeteria, followed by a special presentation from our students to be held in our auditorium. This invitation also includes stepfathers, foster fathers, grandfathers, uncles, brothers, godfathers and other significant male caregivers to accompany their child. Please take advantage of this special morning and bring your child to school promptly at 8:00AM. This special time shared with your child will end at 10:00AM.

Hope to see you at BELL Academy!

Sincerely,

Lori Belcastro, Parent Coordinator

Please tear off and return to Ms. Lori in room 314 by Friday November 7, 2014
