

### Health Screening Questionnaire

All DOE students, employees, and visitors must complete a health screening before entering DOE facilities. This health screening must be completed on each day of arrival. This health screening can also be completed online at: <https://healthscreening.schools.nyc/>. Upon entering the facility, if you have not completed the online health form you will be asked to provide responses to the questions below. As a reminder, all DOE employees must be vaccinated to enter our school buildings.

1. Have you experienced any symptoms of COVID-19, including a fever of 100.0 degrees F or greater, a new cough, sore throat, loss of taste or smell or shortness of breath that started in the past 10 days?
  - No. Go to the next question.
  - Yes, and I have received a negative result from a COVID-19 diagnostic test performed by a health care provider OR I am a student or school-based staff member who received two negative results from a take-home test taken at least 24 hours apart since the onset of symptoms AND have only mild symptoms (no runny nose; if cough, cough minimal and non-productive; fever-free for 24 hours without the use of medication). Go to the next question.
  - Yes, and I am a school-based staff member returning on Day 6 of isolation with mild symptoms (no runny nose; if cough, cough minimal and non-productive; fever-free for 72 hours without the use of medication), wearing a higher-grade face covering such as a KN95 or N95. Go to the next question.
  - Yes, and I am not in the categories above. No further screening is needed. The individual may not enter the building.
  
2. In the past 10 days, have you gotten a positive result from a COVID-19 diagnostic test? Please note that 10 days is measured from the day you were tested, not from the day when you got the test result.
  - No. Go to the next question.
  - Yes, and I am a school-based staff member returning on Day 6 of isolation with no symptoms or mild symptoms that are improving (no runny nose; if cough, cough minimal and non-productive; have been fever-free for 72 hours without the use of medication), wearing a higher-grade face covering such as a KN95 or N95. Go to the next question.
  - Yes. No further screening is needed. The individual may not enter the building.
  
3. In the past 10 days, were you in close contact with someone who tested positive for COVID-19?
  - No. The individual may enter the building.
  - Yes, I was exposed at school, and am taking COVID-19 diagnostic test(s) as directed by my school and have NOT received a positive result on those tests. If I test positive, I will begin isolation. The individual may enter the building.
  - Yes, I was exposed at school but I have not received a home test kit. Please contact your school to ensure you receive a home test kit today. The individual may enter the building.
  - Yes, and I am not fully vaccinated returning from quarantine from an **exposure outside of school** on Day 8 with proof of a negative diagnostic COVID-19 test performed on Day 5 or later. The individual may enter the building.
  - Yes, I was **exposed outside of school**, but I am considered fully vaccinated. The individual may enter the building.
  - Yes, and I was **exposed outside of school** and I am not fully vaccinated. The individual may not enter the building.

As a reminder, in accordance with New York State Department of Health requirements, Centers for Disease Control and Prevention recommendations, and DOE policies, all individuals in a DOE school building and all DOE staff and contractors in DOE offices MUST wear a face covering at all times, unless eating or drinking or unless they have a medical exemption.

*This Health Screening is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of a qualified health provider with any questions you may have regarding a medical condition. Health screening results will be reviewed for the sole purpose of gaining access to facilities and confidentiality will be maintained.*

The NYC Department of Education may change recommendations as the situation evolves.
