INTERNET USAGE PERMISSION FORM

Dear Parent or Guardian:

BELL Academy receives wireless internet access. All connections to the Internet in this school are through the Department of Education's Proxy Server, which filters out questionable Internet sites. Your child will also be supervised by a teacher at all times. Although the filter is in place, there is a slight possibility that your child will be able to access inappropriate sites. The Department of Education's Internet Usage Policy/Chancellor's Regulations on Internet Usage will be reviewed with your child in class.

GUIDELINES FOR INTERNET USAGE:

1. All students must have a signed permission slip from their parents that authorizes them access to the Internet.
2. Respect for the equipment of the school and its network is a condition for use of the computers.
3. Students are to notify the teacher immediately of any disturbing material they may encounter on the web.
4. Students are not to give out personal information like telephone number, full name, address, etc. to anyone on the Internet.
5. Student must have clearance from the teacher before downloading any programs from the Internet.

Violation of any of these rules may result in forfeiture of permission to use the Internet and school network and/or appropriate disciplinary action. Please sign below if granting permission and return the entire form.
