## *Free lunch for middle schools!!!*

Dear Parents/Guardians,

**BELL Academy** is pleased to inform you that the breakfast & lunch program will be free for **all** students in our school starting this September. In partnership with the City Council, they are including all 6<sup>th</sup>– 8<sup>th</sup> grade middle schools in an initiative to expand universal meal service and improve the overall experience for students in our cafeterias.

We need your help! The success of this program will depend on the ability of schools to collect income eligibility forms from parents. Whether the student brings lunch or chooses to participate in school lunch, your cooperation in turning in the form promptly will ensure the success of this program continuing.

Ms. Bova will be handing each student a lunch form to be filled out by a parent/guardian which should be returned to your child's homeroom teacher. The first class to complete and return all of their forms will receive a pizza party.

Thank you for your cooperation.

Sincerely,

Lori Belcastro, *Parent Coordinator*

Roxanne Bova, *School Aide*
